A Letter From The Director

Dear Life Friends,

The Apostle Paul writes of a fascinating dynamic that takes place within the church at Macedonia in 2 Corinthians 8:3-4: "For I testify that according to their ability, and beyond their ability, they gave of their own accord, begging us with much urging for the favor of participation in the support of the saints."

Here, we have group of people asking in essence, "May we please help you as you advance the kingdom of God?" These Christians saw a work of God in action and were looking for a way to play a vital role. Paul's answer of course, was an emphatic "Yes!"

It is easy to look at these verses and apply it to our work here at the Pregnancy Care Center and Women's First Choice Medical. The Macedonians approached Paul because they saw something happening. They saw lives being changed; hearts turning toward God through Jesus Christ. They saw a reason to give, and responded.

My prayer is that you, too, see lives being changed here at the Center. A young lady comes to our clinic, pregnant, and sees only one option; to end her pregnancy with a one-and-a-half-hour drive to the nearest

abortion center. We listen. She talks, and she cries. We offer an alternative, one that would result in life for her child and hope for her. And we share the Gospel of Jesus. An hour later, she has a new resolve. Her baby will be born.

Yes, we are looking for beggars - those who will look at stories like this one and say, "What can I do to be a part of the work?" If you are one who is begging (or simply asking), go to our website at friendsofpregnancycare.com make a gift or mail back the enclosed card. You can also email me at darlene@pcctiftarea.org or call me at 382-4491 to know more about specific ways you can join our team.

The Macedonians were begging. When I look at what is happening here at the Pregnancy Care Center and the 70 babies saved in 2015, I see every reason why the same can happen today. We are looking for you, and I thank you in advance for being one who is "begging" to make a difference in the lives of those we see.

Looking forward to seeing you on March 24th,
Darlene Barber

As we wind down, it is time to boomerang those bottles (full or empty) back to the PCC! If you are still looking for empty bottles to fill, please contact us at 229-382-4491!

Year-End Campaign Wrap-Up

Thank you for contributing to our 2015 Year-end Campaign. We raised \$23,550 and we could not have done so without your faithfulness to this ministry. It is a blessing for us to know that so many of you value the work Christ is doing through us and the ministry of Women's First Choice Medical Center and the Pregnancy Care Center. We are humbled by the impact the Lord has made in the lives of so many throughout the Tiftarea and we praise God for you.
