A Letter From The Executive Director

by Darlene Barber

Dear Friends For Life,

As a ministry such as ours grows, sometimes it is easy to get caught up all of the endeavors with which we are involved; all of the people we are reaching. No doubt, these are all good and worthwhile to talk about.

Yet we never want to forget that at our core, this ministry is as simple as a group of friends, pulling together to reach out to those who need us at a critical time in their lives.

We categorize ourselves as board members, volunteers, staff members, client advocates, donors, prayer partners and more. Foundational to all of these categories however, is that characterization which is most important: Friends.

Jesus had a word or two to say about friends, didn't he? In John 15, the Lord talks of how important it is to follow his command to love. Then in the 15th verse Jesus tells his disciples that because they follow the command to love each other, he calls them friends. Whew. Talk

about having friends in high places; this had to be some moment, when Jesus gave these men "friend" status—a much higher status than anything Facebook can offer!

Our ministry is one of love. We love each other as we serve together in a mighty calling to literally shift a culture toward life in our community. In addition, we reach out in love to those who come in our door. As we do so, we serve as friends.

These friendships form a bond across all lines. Friendships are not weighted down with divisions, they are united with a common purpose. Our friendships grow as we learn more about each other, pray for each other, hurt with each other and celebrate together.

Your role in this ministry could be one of the many listed above. Or, you may be wondering how you might become involved. If you want to know more, call us at 382-4491 or email me at darlene@pcciftarea.org. We would look forward to joining with you.

After all, we're going to be great friends.

2016 Baby Bottle Boomerang Wrap-Up

Thanks to everyone who participated in our 2016 Baby Bottle Boomerang! Not only did many churches from throughout the Tiftarea participate, but, as you can see from the picture to the right, this year we even had businesses and other organizations join in.

We praise the Lord for your faithfulness in supporting this ministry and are constantly brought back to a humble thankfulness to our Father who shows us in powerful ways just how much He cares for least of these.

2016 "Imagine Life" Fundraising Banquet Wrap-Up

Thank you to each one of you who supported, both financially and in prayer, this year's Imagine Life Banquet. Thanks also to those who helped to plan, organize, and execute the banquet. And finally, thank you all for coming! We raised over \$65,000 at this year's event, which includes the rest of the money for the 3D/4D ultrasound machine we will be purchasing soon. This is a fantastic start to next fiscal year's budget, but if you were unable to attend this year's banquet, it is certainly not too late to contribute! Please consider how God can use you—your financial gifts, your prayers, your time—to make a BIG impact on our community for Him.
